Accreditation to UKCPAS™ standards is the activity of having processes, systems, people, training or organizations independently evaluated to confirm that it meets specific requirements in order to reduce risks, commit to continuous and improve and thereby increase business opportunity.

UKCPAS™ will give added confidence in the market place and in delivered services which is essential. The cleaning industry is a growing industry and standards are all the more important to assist in driving up values, competencies, principles and professionalism of the sector.

Company Registration No. 7570846
(Working towards Ofqual Recognition)
